

Be a part of Greenville's Heritage. Buy a brick and you become a part of Greenville's History!

Something exciting is happening in town! We are constructing a large granite fountain with a brick plaza around it. This new focal point will be in Jennerjohn Park. You can come by car or by trail. The new walking trail will connect Heritage Fountain with the middle school, the grade school, Community Park, the YMCA and Lions Park. Heritage Fountain will be a place to go and have your wedding pictures taken or a place to meet your neighbors while going out for an evening walk.

To help pay for completion of this project we are asking you to buy a brick! These bricks will be used in the plaza around the fountain.

Just imagine in years to come you will be able to show your children and grandchildren your name and their names as a permanent legacy of Greenville's Heritage Fountain. Everyone is invited to buy a brick, either for yourself or for someone else, to commemorate special occasions such as a birth of a child, baptism, graduation, or a wedding. Not sure what gift to give that hard to buy for person? Buy a brick. It's a great unique gift and it helps support the funding for this project.
