This map is provided as a guide for those who intend to use the recreational trails throughout the Fox Cities and the surrounding area. The cities of Appleton, Menasha, Neenah, and Kaukauna; the towns of Menasha, Greenville, Clayton, and Grand Chute; Outagamie County; and Fox Cities Greenways, Inc. have worked together to provide an extensive network of trails throughout the Fox Cities, with other trail segments yet to be completed. These trails offer a variety of different recreational opportunities and connections to the various communities throughout the Fox Cities. Many of the trails noted on the map are paved off-road trails, offering the opportunity to walk, bicycle, and skate on hard surface trails. Some segments are sidewalks along local streets that provide connections to the paved, off-road trails. Other segments noted on the map are on-street routes that offer connections to other trails and recreational facilities. Additional trail segments continue to be explored with future construction scheduled to create a seamless recreational trail system throughout the Fox Cities.
