3. NEW BUSINESS

- a. Review of claim received regarding property located at N2479 Timothy Lane. Kathleen Matthees, N2479 Timothy Lane; stated that the original email was a request for information and does not understand why it was being considered a claim. Chris Pagels visited the property as a response to correspondence with one of her daughters to research where the water may be coming from. Kathleen indicated that she is uncomfortable with having restrictions put on her property and does not see the need for a restriction if there is no claim. Jack stated that it was his understanding from the Town Attorney that although there was not an address in the original email, the town did visit property so an address was determined. The original email also contained an itemized list of potential expenses. Motion by Dean Culbertson to deny the recommendation of disallowance of the claim; he does not believe it's a legal claim. Motion fails for lack of second. Jack reviewed additional statutory information and additional discussion was held regarding the validity of the claim. Motion by Jack Anderson, second by Mark Strobel to disallow the claim. Motion carried 3-1/Culbertson. Kathleen would like to see the Town continue to assist with research. Jack reassured Kathleen that Chris will continue his work to determine if this is a Town related issue.
